

Capability Statement

BL1 Painting has been providing interior and exterior painting services in the Perth Metro area for **over seven years**. We offer everything from high spec residential painting to commercial and industrial coatings.

Our **fully qualified tradesman** are genuinely passionate about their work and take great pleasure in caring for your painting and decorating needs. We are fully insured and all of our staff hold current police checks for your **peace of mind**. We are proudly recognised as Dulux accredited painters.

OUR VISION

Our vision is to provide **incomparable painting services** to the Perth metro region. We are wholeheartedly committed to professional service, quality outcomes and excellence in customer service. Not only do we intend on providing friendly and admirable service to our current and ongoing customers, but we want to continue setting a supreme high standard for our future customers and other brands within the industry. Our dedication to high quality painting services is the reason we are one of the most popular painters in Perth.

OUR GOAL

There's nothing that brings us greater joy than delivering outstanding painting services to the Perth region. **We thrive on happy customers** and love knowing that we have assisted in rejuvenating your property. Therefore, our goal as a painting business is to continue providing outstanding quality and customer service that exceeds all of our customers' expectations. We want to demonstrate our care and quality to as many homes and commercial properties as possible.

OUR VALUES

The team at BL1 Painting are **honest, professional, transparent and passionate**. We are 100% committed to deadlines and timeframes, meaning you can rest assured that your job will be completed efficiently, responsibly, and most important, on time. Health and safety is always a priority in all of our dealings. We operate with care and caution to ensure that you, your property and our team is entirely safe. As a small, **family-run business**, we can offer unparalleled customer service and a tailored approach to each individual job.
